

2024 Inclusion Leader Program Application

North Vancouver Recreation and Culture is happy to offer the Summer Inclusion Leader Program for Summer 2024

Before submitting an application, please review the following:

- Applications are processed on a first come first served basis. Inclusion spots will be offered to applicants in order of when their application is received until all spots are filled or until the application closing date.
- Inclusion leaders provide support in NVRC camps 6 hours +. Camps offered by Parkgate Society at Parkgate Community Recreation Centre are not eligible.
- The Inclusion Leader Program is a fit for campers who work well in the equivalent of a 1:3 ratio and who could participate independently at times under general camp supervision.
- Inclusion leaders are camp leaders who may have some experience supporting children who have disabilities or other support considerations, and are in place to support the entire camp team. They are not 1:1 workers, interventionists, or specialized support caregivers.
- A maximum of 1 consecutive week of camp support can be provided.
- Campers are encouraged to attend additional weeks of camp with a private support worker.
- We are not able to schedule training, orientations, or introductions outside of the assigned week of support. If your child requires specialized support that would require training or an orientation, please contact the inclusion programmer prior to applying to discuss eligibility summersupport@nvrc.ca
- In the unlikely event that an Inclusion Leader is unable to make a scheduled shift, NVRC staff will do their best to find a replacement. If a replacement is not found then a modified schedule for the day or cancellation altogether may be necessary.

I have read and agree to the above terms and information.
