

As a token of recognition for dedication and effort put forth in the pursuit of excellence, Sports & Recreation Travel Grants provide financial support to individuals, teams or groups who have qualified to participate in significant out-of-province championship events.

NEW: Travel to championship events in cultural activities may also be considered.

The Sport & Recreation Travel Grants Program Guidelines are attached to this form. Please read the Guidelines carefully before completing the application in full. If you have any questions, please address any enquiries to: travel-grants@nvrc.ca

GUIDELINES

1. Program Purpose

As a token of recognition for dedication and effort put forth in the pursuit of excellence, Sports & Recreation Travel Grants provide financial support to deserving teams, groups and individuals to participate in significant out-of-province championship events.

2. Levels of Available Support

Funding is available up to \$200 per individual or per team player and up to a maximum of \$1,000 per team or group.

There is no guarantee of funding. Applications may result in the award of full, partial or no funding.

Approval of a grant in any one year is not to be regarded as an ongoing source of funding or support for future years.

3. Who Can Apply?

Applications for a travel grant **must** be made by the organization through which the team or individual competes. To qualify for funding the team or individual must:

- have achieved local, regional or higher championship status, recognized by an authorized sport or recreation body
- be advancing to a championship or finals competition at the Western Canadian, national or international level
- consist of North Vancouver residents or be a North Vancouver resident, AND
- demonstrate efforts to seek alternate funding, including self-financing, and provide a budget estimating travel and event participation costs

Team members or individuals who are not North Vancouver residents will not be eligible for a grant.

4. Submitting an Application

Application forms are available through the NVRC website at:

<https://www.nvrc.ca/travel-grants>

There is no scheduled deadline for submissions. However, applications **must** be received prior to the championship event taking place.

In exceptional circumstances, where the time between qualification and the subsequent championship competition is very short, applications may be received after the event has taken place.

Applications **should** be submitted digitally to: travel-grants@nvrc.ca

Alternately, submissions may be provided on USB drive or CD-R disc and submitted by hand or by mail to the attention of:

*NVRC Sport & Recreation Travel Grants
c/o Ron Holbrook,
Karen Magnussen Community Recreation Centre
2300 Kirkstone Road
North Vancouver, BC V7J 1Z6*

Hard copy submissions can also be accepted. In such cases it is the responsibility of the applicant to provide three (3) full copies of the application.

Applications submitted by fax will **not** be accepted.

5. Please note the following prior to submission:

- (a) Grants are available for out-of-province travel only.
- (b) Make sure your application is complete, including all required attachments.
(i.e. team rosters and/or membership information for the event or from the previous year)
- (c) The Sport & Recreation Travel Grant Review Committee meets as applications are submitted. Recommendations from the Review Committee are forwarded to the next meeting of the NVRC Commission for consideration.

Applicants are advised to check the yearly Commission meeting schedule at:

<https://www.nvrc.ca/about-us/contact-us/commission-info>

- (d) If funding is approved, recipients are required to publically recognize the support provided.
