Police Information Check for Volunteers

---

To Whom It May Concern:

North Vancouver Recreation and Culture has requested the bearer of this letter to obtain a Police Information Check in compliance with our Volunteer Risk Management practices. These individuals will be volunteering in various capacities including working with children and adults.

As this volunteer will be supervised by staff and will not have sole responsibility for vulnerable clients, this volunteer does NOT require a vulnerable sector (VS) check.

If you have any concerns regarding this request, please contact our Volunteer Resources Programmer, Meh Najak at (6-04)983-6417 or by email at [najakm@nvrc.ca](mailto:najakm@nvrc.ca).

Thank you.

Yours truly,

Meh Najak
