INFORMED CONSENT and ASSUMPTION OF RISK

For Participants Under 19 Years

Dear Parent or Guardian,

Thank you for choosing to register your child in this North Vancouver Recreation and Culture Commission (“NVRC”) **Camp Program**. We request your understanding and cooperation in maintaining your child’s safety and health by reading and signing the following Informed Consent and Assumption of Risk form.

The Informed Consent and Assumption of Risk form is an agreement between the custodial parent/guardian of the child participant named below, the child participant and the NVRC. The intent of this form is to inform you and your child of the activities and expectations of our program so that the choice to participate in the program is made freely and with understanding of the associated benefits, risks and responsibilities.

PLEASE READ ALL PAGES CAREFULLY – THE TERMS CONTAINED HEREIN MAY AFFECT YOUR LEGAL RIGHTS

I, _____ (name of Parent or Guardian), am authorized and request to have _____ (my “Child”) participate in the **NVRC Camp Programs** (the “Program”) offered by the NVRC.

Benefits and Risks:

The activities offered as part of the Program are designed to pose appropriate challenges for participants in both indoor and outdoor environments.

The activities include but are not limited to: hiking on flat, sloped and/or uneven terrain; running, jumping, and rolling on various surfaces (including indoor gym floors, grass, gravel, forest floor and sand), jumping from heights such as off boulders, ledges and logs; crawling and climbing over and under, swinging from natural and man-made structures, wading into creeks or ocean, participating outdoors in various weather conditions including sun, heat and rain with variable air quality; and walking outings to community parks, trails and playgrounds, activities at indoor and outdoor destinations, and bus trips on public transit or charter bus.

The enjoyment and education benefit derived from these activities is, in part, a result of risks inherent in these activities. The benefits of participation include developing self-confidence, physical literacy, self-esteem, and strategic problem-solving. **While NVRC attempts to minimize risk, it is neither possible nor desirable to eliminate all risk.**

I understand and agree that:

- a) the Program involves many inherent risks, which include but are not limited to the possibility of physical injury and that injuries sustained in an indoor or outdoor activity can be severe and even fatal;
- b) the Program requires a minimum level of physical, mental and emotional health (collectively ‘health’) and that my child is physically, mentally and emotionally fit to participate in the Program; and that the probability of an injury occurring depends in part on my Child’s level of fitness and health as well as on the awareness, care and skill with which my Child conducts him or herself in the Program;

- c) by choosing to have my Child participate in the program, my child and I assume the above stated potential risks, and I assume full responsibility for all damages and loss resulting from their participation;
- d) I am free to withdraw my Child from the Program at any time. I have disclosed all relevant health conditions that may affect my Child's ability to participate in the Program to the NVRC at the time of registration;
- e) I accept that my Child must follow and obey all instructions and rules given by those responsible for or in charge of the Program, that the instructions and rules are in place to provide a safe environment for the entire group, and that failure to follow instructions and rules may result in my child's removal from the program; and
- f) I acknowledge and agree that I have inquired about the nature of the Program and any activity that I am not completely familiar with and I have been informed of any inherent risks.

Program: NVRC Camp Programs (the "Program")

COVID-19 remains a worldwide pandemic and a threat to our local health and safety. We know the following (this list is not intended to be exhaustive):

1. A virus, SARS-CoV-2, may be transmitted from person to person both indoors and outdoors;
2. SARS-CoV-2 causes an illness, COVID-19, which may cause a range of symptoms, and in severe cases may be fatal;
3. There is an inherent risk of contracting COVID-19 wherever people (adults or children) are gathered in groups of any size; and
4. The virus may be transmitted by people when they do not have symptoms.

By signing this form, you acknowledge and agree as follows:

1. **Although NVRC has implemented a COVID-19 Communicable Disease Plan and related health and safety measures, there is an inherent risk of exposure to COVID-19 in any place where people, including children, are gathered in groups of any size, and this risk cannot be eliminated. Notwithstanding NVRC's COVID-19 Communicable Disease Plan and related health and safety measures, any participation in a group activity, including the Program, may result in infection with SARS-CoV-2, and sickness or death from COVID-19. You hereby assume all of the risks associated with SARS-CoV-2 and COVID-19 arising from your child's participation in the Program, and you assume full responsibility for all damages and loss resulting from such participation.**
2. NVRC does not employ health professionals and does not screen for potential illness. You will not allow your child to participate in the Program or visit any NVRC facility if:
 - (a) your child is experiencing any cold or flu symptoms
 - (b) your child has tested positive for Covid-19 in the last 5 days OR if their COVID-19 symptoms have not improved beyond the 5 days period. Please follow isolation requirements as outlined by the BC Centre for Disease control. <http://www.bccdc.ca/health-info/diseases-conditions/covid-19/if-you-have-covid-19>.
3. Children returning from travel outside of Canada must not attend camp until they have complied with all current and applicable testing, quarantine or isolation orders for entry into Canada as required by the Federal Government. <https://travel.gc.ca/travel-covid>.

Note that if we observe any symptoms of respiratory distress or illness in your child, they will not be permitted to participate in the Program.

Lastly, it is vital that we all be calm and compassionate throughout this pandemic. Any person who exhibits any aggression towards our staff or any other person in one of our facilities and/or programs will be asked to leave and not return.

If you would like more information regarding the risks associated with COVID-19 for children, please review the following BC CDC publications:
