Please remove all balances owing on your account. This will simplify the registration process. Any outstanding balances must be paid in order to register for preschool.

A Credit Card

To pay, you will need to provide a credit card number. Your online registration is not complete until the payment is processed. Pre-paid credit cards will not work if you choose to pay by scheduled payments. Please note, we cannot accept debit online (including Debit Mastercard or Debit Visa). Your internet registration is not complete until the payment is processed.

Payment and Fees

You will be charged a \$30 administration fee at the time of registration. This fee is used to upgrade preschool equipment and is non-refundable.

Registration fees may be paid by lump sum or scheduled and paid monthly. If you choose to schedule monthly payments, the first charge will occur on August 1, 2023. This is a deposit and will be applied to your last month of preschool. Subsequent payments will be charged on the first of the month from September to May.

Refund and Withdrawal Policy

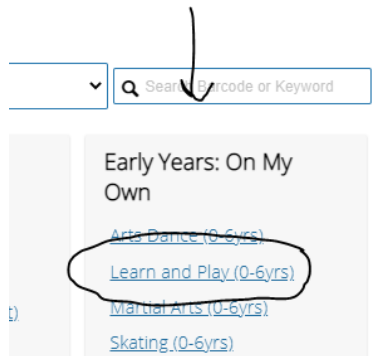

We require written notice before the first of the month, one month prior to withdraw from the program. Those withdrawing without greater than one month notice will be charged for an additional month. Withdrawals are not permitted for December, March, May and June. The Admin charge of \$30 is non-refundable. Should you withdraw and then re-register your child for preschool, you will be charged an additional admin fee. There is no penalty for transferring your child to a different class at the same preschool. Our licensed preschool refund and withdrawal policy applies to students leaving one NVRC preschool and registering at another NVRC preschool location.
