Class Descriptions	
	Level 1 = Mild Level 2 = Moderate Level 3 = Intense
Muscle Fusion 1/2/3	A total body muscle conditioning class. Steps, tubing or hand weights may be used.
Muscle Fusion Core 1/2/3	Focusing on strengthening your core and supporting musculature of the lower limbs. Resistance training equipment and steps may be used.
Cardio 1/2/3	This class incorporates traditional choreography of moderate to high intensity, high and low impact moves with a variety of conditioning exercises.
Muscle Fusion Ball 1/2/3	A total body muscle conditioning class. Stability balls, bands or weights may be used.
Step 1/2/3	This moderate to advanced step class involves use of the step for a short cardio component and then focus on total body conditioning using weights, gliders, bands, and body weight.
Stretch Flow	Dynamic and static stretches to improve your range of motion and strengthen your full body to improve movement performance.
Yoga Fusion	This flow class will combine traditional yoga with dynamic, static stretches to improve your range of motion and strengthen your full body to improve movement performance.
Bootcamp 2/3	A high intensity class that will challenge you with intervals of cardio and strength training. Steps may be used.
