

## **Terms & Conditions:**

Playcard offer is a 15% discount on all race entries at all times.

**(Race not included: We must clarify that we cannot offer any discounts or entries into the Rubble Creek 25km, it is an external event in which we do not directly oversee.)**

For a limited time we would like to offer our *Playcard* holders an “enter one get half off another” offer and this would be specific to our two NV based events. Up until March 20th, enter the Cap Crusher and get 50% off entry into Buckin' Hell race combo. Our first race is on Sunday, March 23rd, it's called the Cap Crusher and is in Capilano Canyon. Our third event is on June 21st and is called Buckin' Hell, it's located on Mount Seymour.

Discount codes have been set up as follows:

15% off code: NVR (please note caps)

**Please note** that the 15% discounts cannot be offered after the fact. Discounts need to be applied at checkout. Should anyone not see their discount applied at checkout they should email us before completing their transaction, [run@coastmountaintrailseries.com](mailto:run@coastmountaintrailseries.com) . Anyone who completes their transaction without receiving their discount cannot be reimbursed after the fact. **All *Playcard* holders will have to show their *Playcard* on race day at registration.**
