

CALL TO ARTISTS

The North Vancouver Recreation and Culture's *NEW* Artist Residency Program (ARP) provides a range of opportunities for artists to work in the community, to develop a wide range of arts-based projects and activities with various publics and to deliver creative projects that generate meaningful connections for participants as well as for the broader community.

The Call is open to artists who live or work in Metro Vancouver, BC. Canada. Interested artists, artist teams, collectives or other creative parties are invited to submit a completed *Application*, indicating which of the three program streams they are interested in participating in: Creation Labs, Creating Connections and the Community Residency. Applicants may submit proposals to more than one program stream.

Contributing to the growing vibrancy of our neighbourhoods, the ARP seeks to inspire participation and relationship-building where art (the process of creating together) acts as a catalyst for individual and community engagement. For more information, please join us at one of the upcoming Information Sessions.
